Attachments: Ag Park New Section 7.docx; FW: Ag Park Report

Maryam,

Attached is the proposed FRA Ag Park report section addressing future PCB discoveries based on a request made in your email dated April 5.

If acceptable, TRC will add this section to the report text and re-issue the entire report. Changes were made to other sections of the report based on previous DTSC comments. Please let me know if additional hard copies of the report will be necessary, or if electronic copies will suffice.

Regards,

Ross Surrency, PG
